## „Cult Of The Dead“

**Release: December 19, 2008**

### Press speaking about ‚Cult Of The Dead‘:

Even the always sober minded Dutch cannot deny that this is one of the best thrash albums ever! With this thrash metal masterpiece LEGION OF THE DAMNED reached the same level as Kreator and Sodom.

*Roman Hödl / AARDSCHOK*

‚Cult Of The Dead‘ is another recognizable LEGION OF THE DAMNED album, with honest aggression super drums and guitar work with a surprising end. Thrash with capital ‚T‘!

*Gijs Kamphuis / MINDVIEW*

With ‚Cult Of The Dead‘ the band delivers again an alltime-destroyer, authentic and more aggressive than this does not exist.

*Steven Demey / ROCKTRIBUNE*

‚Cult Of The Dead‘ is pushing you into a corner and keeps pushing into you, until nothing is left over, sometimes extremely fast, sometimes sadistic slow, but either one way or another, you‘ll be destroyed. Top!

*Wilco Spies / LORDS OF METAL*

‚Cult Of The Dead‘ will punch you in the face, but you‘ll beg for more!

*Vincent Portegijs / QUINTESENCE*
