**BIOGRAPHY:**

NARNIA was formed in 1996 by Christian Rivel & Carl Johan Grimmark and has since then released four studio albums and one Live Concert on DVD.

Not only their record company called NARNIA „THE MELODIC METAL MASTERS“.

NARNIA has played concerts and done promotion in many countries such as JAPAN, SWITZERLAND, GERMANY, FINLAND, FAROE ISLANDS, NORWAY, ENGLAND, NETHERLANDS, MEXICO & SWEDEN and toured and played together with big international bands like DIO, STRATOVARIUS, CHILDREN OF BODOM, JUDAS PRIEST, EUROPE & many more.

During the 10 years that have passed since the beginning, NARNIA has built up a strong following of fans all around the world.

In April 2006 NARNIA the long awaited new studio album ENTER THE GATE was released.

NARNIA is one of the best live acts you can experience in the melodic metal scene today. Narnia delivers pure energy, high class musicianship and power from above - you will never be the same after witnessing NARNIA - LIVE IN CONCERT. After those releases the band took the time for new influences and to widen their musical horizon before starting to work on the new album COURSE OF A GENERATION which shows NARNIA in a new light. Never before the Swedes have been heavier, straighter and better! NARNIA are back with a remarkable sign of life!
